DISEÑO

A close-up photograph of a modern car's digital instrument cluster. The central display features a large speedometer with a red needle and a tachometer with a red needle. The speedometer shows a reading of 80 km/h. To the left of the speedometer, there is a 'Home' button with a red house icon. Below the speedometer, the time 'Hora 14:37' is displayed. To the right of the speedometer, the odometer reading 'Odômetro 1035 km' is shown. The cluster is flanked by two vertical bars of indicator lights, with 'F' and 'E' labels on the right side. The background is dark, and the overall design is sleek and modern.

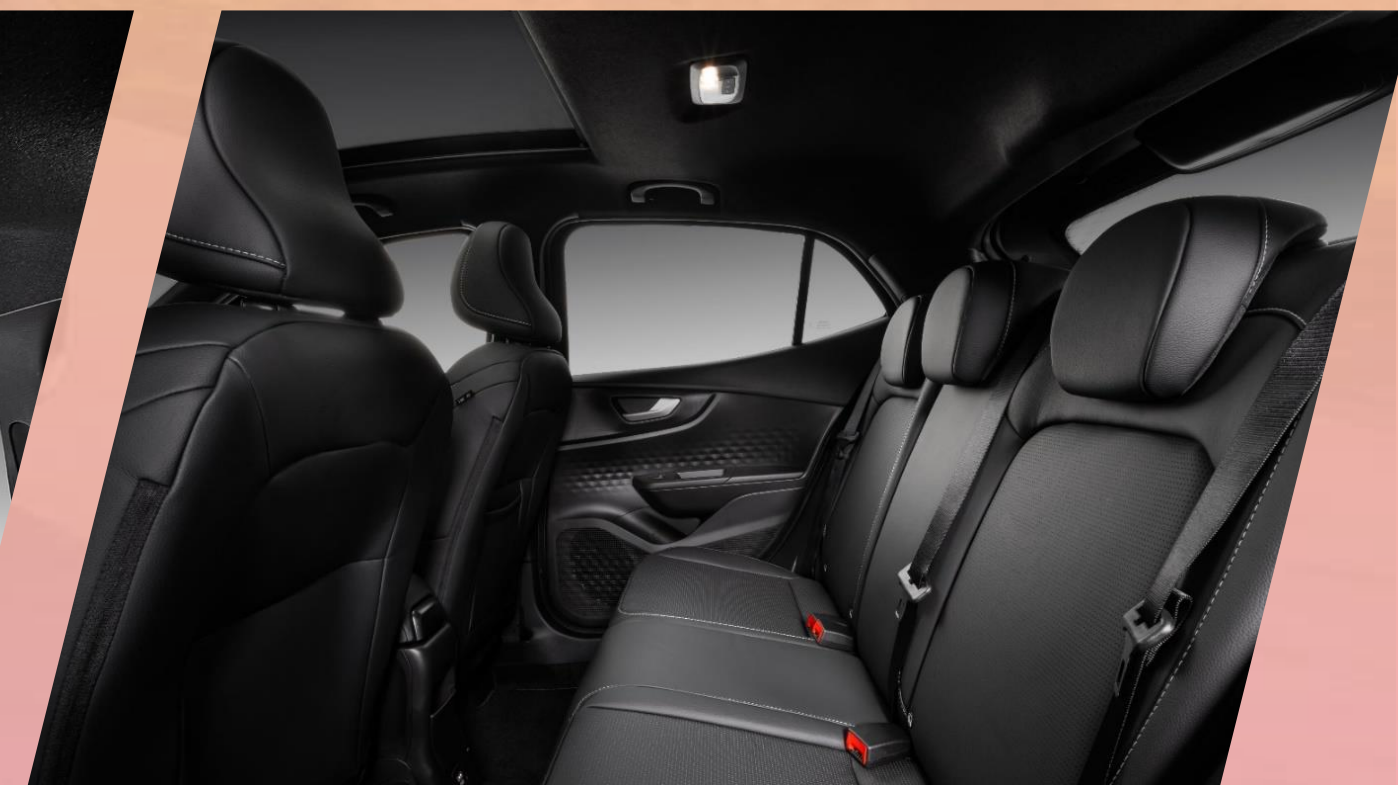

SEGURIDAD

A close-up photograph of the rear side of a dark blue car. The image highlights the rear window with its orange heating lines, a black antenna on the roof, and a prominent, bright red rear door handle. The car's body is a deep blue, and the background is a plain, light grey.

IMPETUS TURBO AT

A wide-angle shot of the front interior of a Volvo XC40 Recharge. The view is from the passenger side looking towards the driver's seat. The front seats are upholstered in black leather with visible stitching. The dashboard features a large, rectangular touchscreen display in the center, flanked by air vents and control buttons. Above the dashboard, a panoramic sunroof is visible, and a rearview mirror with integrated camera and sensors is mounted on the windshield. The ceiling has a sleek, modern design with a central light fixture. The overall aesthetic is clean and minimalist, characteristic of Volvo's design language.
